

Volunteer Service under the Act is limited to services performed by a student, with the permission of the institution at which the student is enrolled, as part of an agency program established for the purpose of providing educational experience for the student. Such service is to be uncompensated and will not be used to displace any employee or to staff a position which is a normal part of the agency's work force.

§ 308.102 Eligibility and status.

(a) *Minimum Age.* The selection of students to participate under the program should be in conformance with either Federal, State, or local laws and standards governing the employment of minors.

(b) *Status.* A student participating under an agency volunteer program is not considered to be a Federal employee for any purposes other than injury compensation or laws related to the Tort Claims Act. Service is not creditable for leave accrual or any other employee benefits.

§ 308.103 Authority.

Section 301 of the Civil Service Reform Act of 1978, Public Law 95–454, authorized Federal departments and agencies to establish programs designed to provide educationally related work assignments for students in non-pay status.
